Martha,

Rob asked me to schedule some time to brief you and Rick on a memo OAR has drafted to be sent to the regions providing guidance on how to incorporate (or not) references to the 2018 Wehrum memo on the former Once-In-Always-In policy into Applicability Determinations. I've attached the brief draft here that has been reviewed by OAR and OGC. OAR believes that OECA is the appropriate office to send this guidance to the regions, but deferred to us on what level of signature, who the memo should go to, and how it should be sent out. We were hoping to brief you before the weekly with David in case you want to raise it there. Let me know if this time works for you. Thanks.
